Notice No. 817 Date: 18.8.20

Orissa Skill Development Authority, Government of Odisha is organizing a special skill development program on SAP ERP for B.Tech students (pre-final and final year) of GCE, Keonjhar. You are required to complete your training program as per schedule and appear for the certification as per module opted (ABAP, MM, SD). The students of Computer Science and Electrical may prefer ABAP and other branch students may prefer MM and SD.

SAP, which stands for Systems Applications and Products in Data Processing, is a powerful Enterprise Resource Planning (ERP) system. It contains a suite of software that includes a re-engineering software that provides end-to-end solutions and have huge scope in the market. **While the SAP ERP course costs over Rs. 1,00,000 in the outside market, the same course is being offered freely at government college level.** There is a huge demand of SAP certified persons by different industries and your employability will be highly increased.

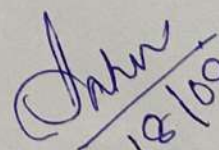

So, interested students, who would like to make a career as SAP certified engineers, are required to fill up the form with the following criteria on or before **29/8/2020**.

Eligibility : All final year/ pre final year engineering students

% of marks : A min of 55% all across in class Xth, XIIth and Engineering

Mode Of communication: English
