

Steps to the students for attending the classes through Google Class Room and Google Meet

Step 1: Install Google Meet and Google Classroom App, if you are using Mobile.

Step 2: if you are already using Google Meet through your personal e-mail Id, Logout from existing Google Meet Account. **This is the most important steps. Don't Ignore this.**

Step 3: Login your Google Classroom App or website <https://classroom.google.com> using Institution E-mail Id. An Institution E-mail has been created for individual student. The format of your email id and password are as follows:

E-mail: <admissionyear><branchname><srno>@gcekjr.ac.in

Password: RegistrationNumber (small letters)

For Example: A student belongs to Mining Engineering branch having serial roll number 21. Then, e-mail id and password of student will be like this

E-mail: 2020mne21@gcekjr.ac.in

Password: 2020mne21

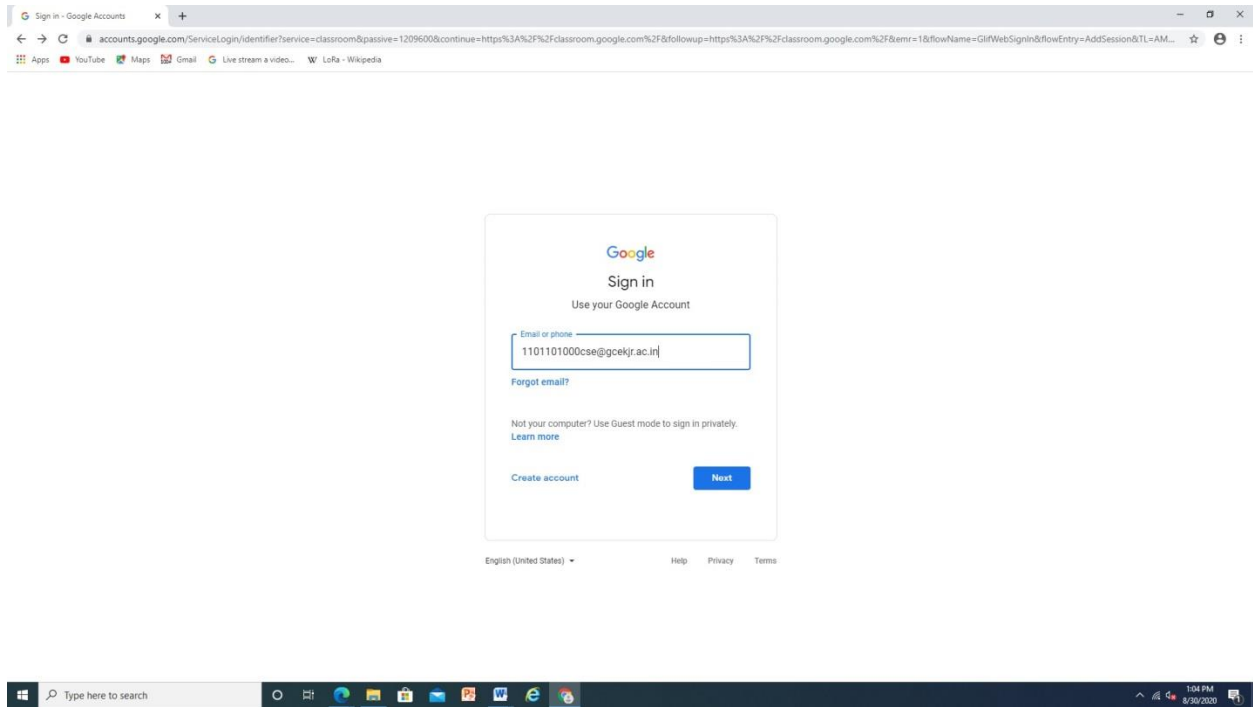

Branch short name are as follows:

| | |
|--------------------------------|-----|
| Computer Science & Engineering | CSE |
| Civil Engineering | CE |
| Mechanical Engineering | ME |
| Electrical Engineering | EE |
| Mining Engineering | MNE |
| Metallurgical Engineering | MME |
| Mineral Engineering | MRE |

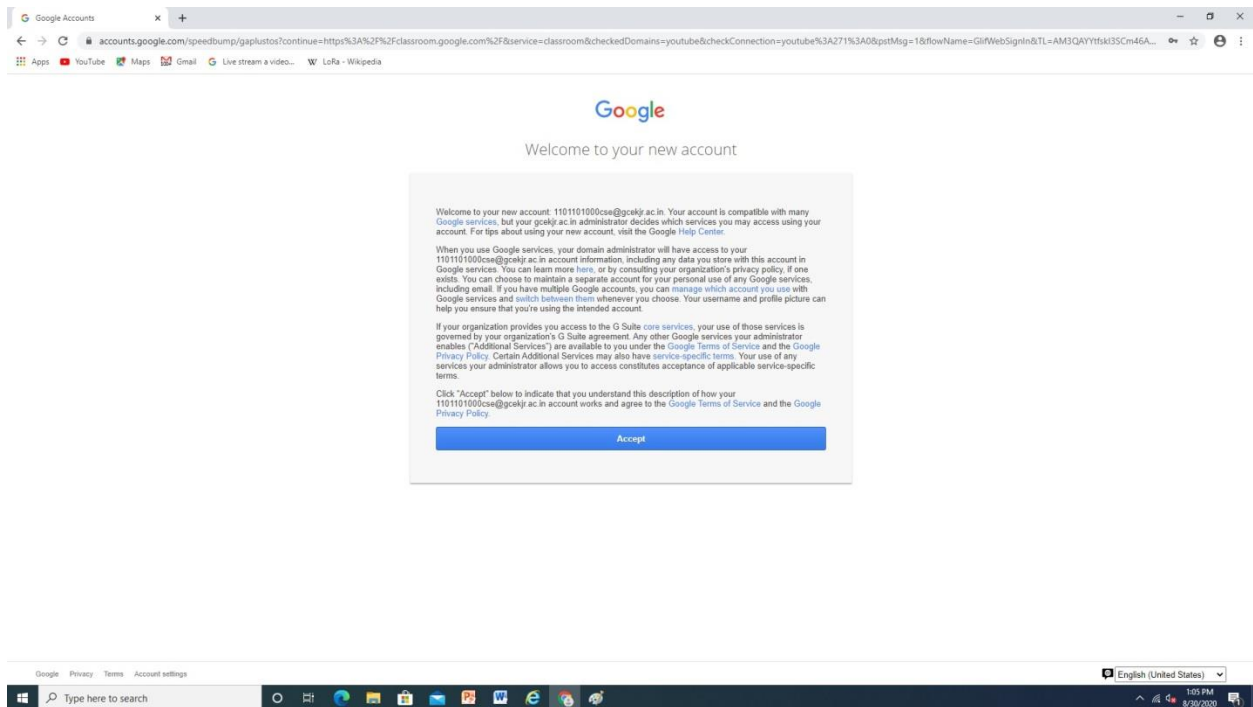

Write your email id in small letters.

NOTE:

The details of login information of all students have been attached herewith for information.

Step 4: Once you login first time in your Google Classroom, it'll ask you to change the password. Give a new password of having more than 8 characters and login your account.

Pick your Role as Student

Step 5: After login to your google classroom, you can see the all subject classes in dashboard of your login. You can join any class by clicking it according to the time-table.

Step 6: After joining any class, you can join the google meet by a link visible into your classroom. There is a separate google meet link for each class which is visible inside the respective classroom.
