

**GOVERNMENT  
COLLEGE OF  
ENGINEERING,  
KEONJHAR**

## OBJECTIVE

For the advancement of technical knowledge in the students. The prime is to improve the technical acumen of the young and creative minds. It is the platform to present and showcase the original creative technical ideas. The fest provides an opportunity to excel in teamwork, leadership and the voyage from an idea to its implementation.

## ABOUT THE DEPARTMENT

The Civil Engineering Department at GCE Keonjhar, established in 2015, is known for providing top-notch undergraduate education and producing skilled professionals for various industries, research institutions, and academia. Civil Engineering encompasses a wide array of specialized areas, including structures, materials science, geography, geology, hydrology, and mechanics.
